

Our Social Media Marketing Plan Offer

We will take care of your social media posts for a monthly fee starting from £50/month. We will provide interesting and engaging content, posted weekly to your Facebook and/or Instagram pages.

Where possible, designs will include your logo, brand colours and font. Our posts may be based on some of the following subjects:

Product Features

We bring your unique features and product/service offerings to social media.

Trivia

Did you know the largest candybar weighs 300kg? Easy, engaging content for socials.

Industry Insights

We research reports and articles in your industry to create interesting content.

Customer Reviews

We bring testimonials to your socials. Social proof is key and customers love it.

Quotes

Quotes by famous people in your industry, your customers, employees or yourself.

Industry Statistics

Much like 'Industry Insights', only focused on statistics, easier to read for your followers.

Industry News

We stay up to date with the space around you to post the news that's relevant.

Blogposts

Bringing your blogposts to social media again is key to deliver value to visitors.
